Best German young sommelier honoured

Tuebingen, 8 April 2019 – In keeping with long-standing tradition, our partners the Chaîne des Rôtisseurs hosted the highly regarded 2019 Concours National des Jeunes Sommelier in Germany. The annual event offers the best young sommeliers of the country the opportunity to showcase their talent, know-how and personal brand of hospitality on an international stage.

Ten candidates pitted their skills against each other in the challenging competition, which was held in the elegant rooms of BASF's Gesellschaftshaus in Ludwigshafen on April 1, 2019.

The winner of the Jeunes Sommeliers 2019 is Julian Schweighart of The Fontenay in Hamburg. Chairperson of the Jury Natalie Lumpf commended his extraordinary proficiency and performance in all areas: "We have been very fortunate to see such top-class sommeliers this year as well as in the past years, and I am extremely proud of our wine specialists. I wish Julian Schweighart all the very best at the international competition in South Korea."

Julian Schweighart was awarded the innovative wine cooler PrioVino Classic, which was presented to him by Jürgen Sauer, founder of PrioVino GmbH. "We congratulate Julian on his tremendous performance, wish him much success going forward and are happy to see the PrioVino Classic in the best of hands," he said.
